

IBC, a consulting and brokerage company in insurance and risk management, active on the national and international market, is looking for a risk manager to strengthen its activities.

## Head of Risk Management (80 – 100%)

### KEY RESPONSIBILITIES

- Advising and supporting IBC account executives in the acquisition of mandates for insurable and non-insurable risks, participating in national tenders and developing innovative risk management solutions in chosen strategic business segments.
- Preparation of offers, business risk analysis, organization of the analysis with clients, coaching and management of workshops, drafting of working documents and final report.
- Carry out particular risk analysis with the support of external specialists. Advising clients and prospects on risk management solutions and insurance transfers.
- Coaching the implementation of long-term risk management plans for IBC clients.
- Develop expertise in risk analysis and management: market survey, continuous training, participation in conferences, symposiums and professional associations, monitoring of legislation, monitoring of IT management tools, etc.
- Leading and managing IBC's internal risk reviews.

### REQUIREMENTS

- Bachelor's degree in engineering, economics, risk management or other related fields at a leading university (EPF/ETH, HES, UNI)
- Risk Management certification or proven experience in a similar role
- Further training and education in insurance including legal aspects
- Multidisciplinary professional experience in various sectors of activity: industry, commerce, quality assurance, Corporate Governance
- Experience in project management
- Ability to work completely independently with usual IT tools
- Languages: French, German, English

With a sense of initiative and a developed analytical sense, you are at ease in human relations. In addition, you are pragmatic, open-minded and willing to show above-average commitment.

Workplace: **Lausanne** (and/or **Bern** and/or **Zurich**)

Start date: immediately or to be discussed

We offer you a varied and exciting working environment within a motivated team whose values are listening, responsibility and innovation, as well as advantageous conditions.

We look forward to receiving your application by e-mail to the attention of Ms. Alicia Laforest.
